

Organization Award

The Black Catholic Enrichment Program provides counseling and guidance to families of color in the greater Hartford community. Their innovative and effective outreach programs have positively affected thousands of families in need. By using of Afro-centric treatment models that draw heavily upon Catholic social teachings, the agency has infused the community with families that are empowered and enriched. Several of their services are: Family Violence Support Group, Family Literacy Services, Family Counseling, Abstinence Education, Black History Forum. The organization exemplifies, through their many youth tutoring and mentoring programs, that the only real means that we have to change the future is to affect the young.
